IC1 TARIFF
(Up to 73,200 kWh)
Industrial & Commercial

Effective from 1 October 2026

The table below details the Industrial & Commercial Tariff structure & prices for Non-Domestic premises where annual consumption is up to 73,200 kWh.

INDUSTRIAL & COMMERCIAL (IC1) TARIFF*

Pence per kilowatt hour for the first 2,000 kWh.	Pence per kilowatt hour for each kilowatt hour over 2,000 kWh.
11.591p (excl. VAT)	7.942p (excl. VAT)

From 1 November 2022, we suspended our minimum consumption charges for customers who use less than 1,678 kWh per year.

Discount for Direct Debit customers is up to £21.00 (ex. VAT) per annum. For consumption below 2,000 kWh the Direct Debit discount is £5.25 (excl. VAT) per annum.

Charges and payment methods are subject to change or withdrawal by us at any time. All charges are exclusive of VAT, or any other tax, levy or charge which we may be obliged by law to require you to pay, which will be charged at the prevailing rate.

*Note: Consumption bands are applicable over 365 days and pro-rated to the length of each billing period
